

ST PETER

PRAY FOR US

Powerful St Peter Prayer

Heavenly Father,

In Your infinite wisdom and boundless love,
You have created us to seek not only
sustenance but also fulfillment and happiness
in this life. We come before You, as Your
humble servants, with hearts full of hope and
gratitude, seeking Your blessings for wealth
and happiness.

Guide us, Heavenly Father, along the path of
prosperity, not just in material abundance but
in the richness of our experiences and the
depth of our relationships. Help us to
understand that true wealth encompasses not
only financial success but also spiritual well-
being, emotional fulfillment, and a sense of
purpose in our lives.

Grant us the wisdom to make sound decisions
and the courage to pursue our dreams with
diligence and integrity. May our endeavors be
blessed by Your divine favor, leading to
success and fulfillment beyond our wildest
imaginations.

Fill our hearts with joy and contentment,
Heavenly Father, knowing that true happiness
comes from living in alignment with Your will
and purpose for our lives.

Help us to cultivate gratitude for the blessings
we already possess and to find joy in the
simple pleasures of life.

As we journey through this world, facing its
trials and tribulations, may Your presence be
our constant comfort and strength. Shield us
from the temptations of greed and selfishness,
and inspire us to use whatever wealth we
acquire for the betterment of ourselves and
others.

May Your light shine brightly through us,
illuminating the darkness and bringing hope to
those in need. And may Your boundless love
continue to guide and sustain us on our
journey towards a future filled with
abundance, happiness, and fulfillment.

Amen.

*Pray This Every Night For
St Peter's Protection*

Heavenly Father,

In our hour of need, we turn to thee,
Seeking thy grace, pure and free.

Grant us, dear Father, strength and health,
To rise above sickness, to reclaim our wealth.

In the realm of health, let us find solace,
Heal our wounds, make us whole, O Promise.

Restore our bodies, mend every part,
With thy divine touch, bring healing to our
heart.

For in wealth, we seek not just gold,
But the riches of life, a story untold.
Bless our endeavors, with prosperity's glow,
Guide our hands, as we reap what we sow.

In the pursuit of happiness, we implore,
Fill our days with joy, let our spirits soar.
Grant us peace in tumult, hope in despair,
With thy loving presence, banish every care.

Heavenly Father, hear our plea,
Grant us health, wealth, and happiness, we
decree.

With hearts full of gratitude, we humbly pray,
Amen
